## **Criminal Justice Administration**

---

### **Accelerated Bachelor's Degree in Business Administration**

*Concentration: Criminal Justice Administration*

The Criminal Justice Administration concentration is designed for working adults with a realistic knowledge of the criminal justice field. This concentration is more specialized, focusing on the management, problem-solving, and decision-making elements involved in working as a criminal justice practitioner. This approach combines elements of business and management with theoretical and real-world discussions of how the justice system operates.
